

***On-Line Live Interactive Classroom Training for the:  
Utah Department of Transportation Pilot Escort Driver & Flagging Certification Program***

**Check this list off as you complete these tasks. These should be completed *prior* to your course date. If the documents are not supplied prior to the training, you will still be allowed to attend the training. However, we will not issue your certification until all the required documents are submitted to USPilotCar.**

- Send passport style photo (**NOT** a copy of a passport. We are looking for a passport style photo, something you can obtain from a place like Walmart or Walgreens, **or** a photo you take yourself. This is the photo that will appear on your certification, so please be sure it meets passport requirements, must be a headshot, appropriately dressed, no selfie type photos allowed. When sending the photo be sure it is not blurry, otherwise we will ask you to resend it. The photo must be in full color). This can be mailed or emailed. See information below for address and email. **DO NOT FAX THIS DOCUMENT**
- Send a clear copy of your driver's license. This can be mailed or emailed. See information below for address and email. **DO NOT FAX THIS DOCUMENT**
- Send an MVR (Motor Vehicle Report) for the past 3-year period. This can be no older than 30 days from the date of the course. Fax, email or mail this report to USPilotCar.
- Complete the included signature form (Backside) and email or fax to USPilotCar.

If you have completed all the above steps, you are ready to attend the online training. Please contact USPilotCar after sending any documents to confirm the receipt of the items.
